No Show Policy

Chippewa Valley Dental Health and Accelerated Orthodontics will observe the following **No Show Policy**:

A No Show is when a patient fails to keep their scheduled appointment or fails to notify the office of an appointment change at least 48 hours (2 working days) in advance. The fee for a No Show is \$50.00 and all future appointments will be canceled. We will attempt to contact the patient as a courtesy to reschedule the missed appointment. We cannot guarantee that the rescheduled appointment(s) will be within the same time period.

The \$50.00 fee must be paid prior to scheduling any future dental appointments for the patient and/or family members. **Exemption to the policy will apply in the case of a family emergency.**

I have read and understand the No Show Policy for Chippewa Valley Dental Health and Accelerated Orthodontics.
